

## Quadra Plus Specification Sheet

### Specifications and guide to standard model selection

Product Code	Model	50 <sup>o</sup> hot water delivery litres per Hr*	Boiling water delivery cups per Hr*	Chilled water delivery cups per Hr	Current draw (amps)	Height (mm)	Width (mm)	Depth (mm)
904065LCH	Quadra Plus 9 XL & Paddle Mixer Chrome	60	180	175	13	340	315	465
904105LCH	Quadra Plus 15 XL & Paddle Mixer Chrome	85	250	175	20	340	315	465

Please note: \*These capacities are either hot water or boiling water dispense, and not both combined. All models come in a range of dispenser options and finishes. The codes shown on this table are for XL Dispenser Chrome only. You can view the options and product codes here: [www.billi-uk.com/howtospecify](http://www.billi-uk.com/howtospecify)

### Power supply

Plus 9: 1 x 13amp socket. Units supplied with 0.9 metre flex cord and plug.  
Plus 15: 1 x 20amp double pole outlet.  
Units supplied with 0.9 metre flex cord.

### Water supply

2 x 15mm (½") stop-tap with a male thread should be installed in an easily accessible position. Water supply must be microbiologically safe to drink, with a minimum dynamic water pressure of 2.5 bar and max 10 bar.

### Drainage

A connection to a waste drain is required. This can be an 1½" upstand or an appliance spigot on sink waste.

### Filtration

Billi's premium filters ensure that health threatening pollutants and impurities such as sediment, chemicals, heavy metals, chlorine and pesticides are safely removed leaving you with refreshingly clean drinking water. All Billi cartridges are certified by NSF International. Scale filtration is essential on all units with hot water function. We recommend the Claris Ultra range.

Filter changes are made simple by our swing-change system and replacement cartridges are available online at [www.billi-uk.com/online](http://www.billi-uk.com/online). Optional sub micron and premium submicron filters are available.

### Certifications

Every Billi drinking water appliance is manufactured under a certified quality control system. The Billi Quadra Plus has been tested and complies with all required standards including: Watermark Licence Number 21525; certified to; AS3498 and AS/NZS4020; ISO 9001; Section J6 of the BCA; Certificate Number QEC 11627.

### Warranty

All components of the Billi units are covered by a 24 month warranty. Filter cartridges are a consumable and are not covered by warranty, as water conditions and usage vary.
